Unity Executive is well-designed with crisp lines, deeply hued wood-grain and solid color combinations. First-quality materials and meticulous construction assure lasting value. Sleek 1½" thick tops contribute to refinement and resilient performance

in high-use applications. A complete collection to choose from – including desks, credenzas, peninsulas, conference tables, files, bookcases, cabinets and pedestals. Also features easy-to-conceal power/data management options as

well as lighting and security accessories. A wide range of product dimensions and components with complementary conference tables in adjacent or same-floor meeting rooms.

CONFERENCE TABLES

Build the perfect table for your space in a few simple steps. Pick a top size and shape. Choose an edge profile. Pick a base style then select the finishes. Our tops and bases give you the flexibility to create the right table everyday. Our tables are customizable, complete with all the shapes, sizes, colors, and finish options you need.

Sometimes the sort of decision-making and idea-growing you need calls for convening a larger collection of creative minds. Our tables wear that long and sleek look well. They're also ready to bring a certain formality and weight to executive boardrooms. Just say the word. When you want to bring together a more intimate

group for meaningful conversation and planning, a smaller table is better. Our tables not only scale up or down in size, they consistently look great, no matter what the dimensions.

Conference Tables

CONSTRUCTION/FEATURES

- 1¼" thick high pressure laminate top
- 3mm or self edge; and single groove, smooth or fluted T-mold edge; and black gloss bullnose
- 1¼" thick high pressure laminate, metal or plinth bases

OPTIONS

- Wilsonart® custom colors on tops and bases add 15% (must specify standard edge color(s)) laminates finishes -07, -38, -90 available only on T-mold edge

TRAINING/CONFERENCE ROOM Accessories

The table might get center stage in a conference or training room, but it can't put on the show alone. ABCO tables pair perfectly with a wide range of our other products, from storage and credenzas to lecterns, technology cabinets, speaker

stands, presentation stands and marker boards. With ABCO, you can always count on a full collection of smart solutions that are affordable from the start, and long-lasting for the long haul.

MULTIPURPOSE TOPS AND BASES

Tables from the Multipurpose Table Series are available in a variety of shapes, base styles, colors, paint finishes and edge options. These tables fit anywhere and provide support for your printers, scanners and even newer technologies. Tables holding equipment and supplies need to

withstand a lot of wear and tear and the Multipurpose Table Series is built to take it. High-grade components, durable surfaces and tough epoxy finishes combine to make a table that can take the abuse and still look good.

REQUIREMENTS INDEX

NEXT GENERATION®

Choose the Next Generation Series for a freestanding modular furniture solution that supports technology and team interaction with smart design features. This series provides design solutions that are simple to configure, simple to install and easy to maintain.

Corner and connector wedges, as well as square, rectangular and radius shape can be used to create many unique workstations for education. Durable, scratch-resistant surfaces along with epoxy powder coat painted bases stand up to heavy use. Integrated wire management system of

grommets, trays and desk legs conceals cords and cables. Four hutch styles include a convenient and attractive flipper door under top hutch.

CONSTRUCTION/FEATURES

- 1/4" thick high-pressure laminate top with smooth or fluted T-mold edge, radiused corners
- Metal base (leg & feet) & modesty panel with powder coated paint finish, Half (connecting 2 workstations) and full (freestanding) feet options
- Vertical & horizontal wire management system: trays and 2 1/4" square surface grommets, 2 1/2" diameter leg & modesty grommets, removable cord cover inserts on leg
- UPSable (shown with *)

OPTIONS

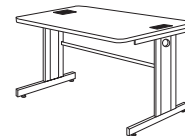

- Wilsonart® custom colors on tops add 15% (must specify standard edge color(s))
- Adjustable bi-level workstations – 9 1/2" x 22" shelf that tilts
- Connecting flat brackets
- 26 1/2" height available on some models (n/c)
- UPSable with travel pack + \$8 net (place a "TP" after model #)

ABCO SNAP Panels

ABCO Snap provides a fast, flexible and affordable privacy solution with a fresh, clean look. Panels stand alone beautifully to define space in an open environment. Paired with modular products such as ABCO's Unity Executive, they work even better, expanding design, application and price options. Workspaces look great with

ABCO Snap's split-panel design and choice of panel infills including fabric, laminate, marker board, acrylic and open pass-throughs. The use of open pass-through infills allow voice and data cabling to run in any direction. Three base options support in-line with adjustable glides, freestanding and mobile arrangements.

A minimal number of parts streamlines ordering and simplifies inventory. ABCO Snap can be moved and rearranged efficiently and quickly. Factor in a sturdy, 1½ inch aluminum frame that withstands years of daily use.

PANELS

DIMENSIONS & SPACE
REQUIREMENTS INDEX

GENERAL PRODUCT INFORMATION

DIMENSIONS

Finished size dimensions are 1/4" to 1/2" less than the stated depth, width and height. The reason for this is to allow for the cutting and finishing process. Because of ABCO's wide selection of finishes and edge styles, the true dimensions will vary. If an exact size is needed, please contact ABCO's Custom/Quotation department for the upcharge and additional lead times.

ASSEMBLY

ABCO products are shipped RTA – ready to be assembled unless “fully assembled” is noted in product features.

EDGE SELECTIONS

Check chart for availability. Edge options vary by product.

TYPE:	<i>(B) Bullnose Edge</i> Colors: Solids: Black Woodgrains: Not Available Nebulas: Not Available
TYPE:	<i>(E) Matching PVC</i> Colors: Solids: Black, Dove Grey, Khaki, Slate Grey Woodgrains: Empire Mahogany, Fusion Maple, Golden Oak, Huntington Maple, Montana Walnut, Monticello Maple, Natural Pear, Versailles Anigre, Wild Cherry Patterns: Bronze Legacy, Evening Tigris, Graphite Nebula, Grey Nebula, Olive Legacy, Pewter Brush, Silicon Ev, Titanium Ev

PREFIX LISTING
OF PRODUCTS

TERMS AND CONDITIONS

Eligibility

ABCO furniture products are sold nationally through authorized dealers and distributors only. Distribution of this price guide does not in itself constitute an offer to sell.

New Accounts

New accounts may only be established with:

- Approval of an ABCO Sales Representative
- Approval of ABCO Sales Management
- Purchase Order for \$2,000 List Minimum Initial Order
- Completion or Receipt of a Blanket Certificate of Resale
- Completion of Credit Application
- Agreement to ABCO 2.0 Terms of Sale

Sales will be cash in advance until credit is established and will require a cashier's check, money order or bank approved company check. Clearance of cash in advance check or money order must occur prior to order being scheduled for production. ABCO may review credit, change or cancel credit terms and/or request advance payment at anytime at its discretion.

Pricing and Terms

Prices, product specifications and packaging are subject to change without notice. Surcharges may be added during the life of this price list as deemed necessary due to unforeseen economic conditions. **This price guide supersedes any and all prior published price guides.** List prices shown apply to product only. Storage, sales tax and any installation charges are additional. All orders are shipped freight prepaid within the contiguous United States and Canada. Freight charges will be the responsibility of ABCO. FOB point is ABCO's factory. The title of goods passes to the purchaser and our responsibility ceases when the carrier accepts shipment at our manufacturing facility. Prices in effect when the order is received will apply. If the shipping date requested exceeds six (6) months from the order receipt, ABCO may use the published list prices effective at the shipment date.

Prompt Payment Terms: 1% 10 days, Net 30. Payment is due according to our invoice terms. Past due amounts will be subject to a 1.5% monthly interest charge. In the event of delinquency, the customer shall be liable for reasonable collection costs, including attorney fees. If, in the judgment of ABCO, the financial condition of the purchaser at any time during the period of the agreement does not justify the previously agreed payment terms, ABCO may require full or partial payment in advance. ABCO reserves the right to withhold shipment and/or production of customer's order due to customer's failure to satisfy credit requirements or pay past due invoices. Disputed accounts must be submitted in writing within 30 days of invoice date for consideration. Lack of written dispute may result in delayed orders.

Canadian Customers

All prices listed are in United States (U.S.) Dollars. Customs charges are prepaid; however, the Purchaser is responsible for GST tax. Contact Customer Service for current exchange rate.

International Customers

All prices listed are in United States (U.S.) Dollars. All freight, taxes, and export fees are the purchaser's responsibility.

Ordering

Send purchase orders to:
ABCO by izzy+
17237 Van Wagoner Rd.
Spring Lake, MI 49456

For faster service, e-mail to orders@abcofurniture.com or fax to 800.992.2261.

To ensure that we can process your order as quickly as possible, please provide us the following information:

- Purchase Order Number
- Correct Model Number(s)
- Detailed Product Description(s)
- Applicable Specifications (laminate, paint, edge treatment, fabric)
- Correct Price
- Ship To Address
- Contact and Phone Number
- Any Special Instructions
- Reference to a Supplement Order with any Special Quote Information or Custom Product Documentation

Please refer to the front section of each product line for specifying instructions. Incomplete information and incorrect pricing will delay the process. Orders will not be entered into our manufacturing system until all information is provided.

Purchase Order Verification

ABCO will automatically fax purchase order verifications within approximately 24 hours of order entry (or mail if no fax number is on file). Please check the verification thoroughly and notify ABCO Customer Service within 24 hours of any discrepancies. ABCO will manufacture the product as specified on the verification and cannot be responsible for errors if not notified by the customer. ABCO is not required to accept changes to acknowledged orders. The customer will be charged for any expenses related to accepted changes, and the order may then be rescheduled at ABCO's discretion. The verification ship date reflects the estimated shipping week. This date does not constitute an essential term of agreement. Shipments may occur prior to or after the original acknowledged date. Order verification may be delayed due to credit issues.

To avoid purchase order duplications, mark confirming copies "confirming copy."

Additions to Orders

Please contact ABCO Customer Service prior to adding to, changing or combining orders already received by ABCO, and reference the original order number to combine with the additional order for shipping or to meet prepaid freight requirements. ABCO will not accept additions to original orders if already scheduled for production and cannot hold orders once production has begun. For more efficient handling, factory approved additions to original orders will be treated as separate orders and invoices by ABCO.

Lead-Times

Our lead-times have been temporarily extended. Standard product in this price guide ships from ABCO within 30 business days upon receipt of a valid purchase order and credit approval (**9 weeks for Wilsonart® custom color product**). Additional lead time for custom products may apply. Contact Customer Service for details.

Customs

ABCO prides itself in meeting our customers' needs with our full line of standard products. However, we do understand that your customers at times will require custom design and custom products to meet unique specifications. Please contact the ABCO Custom/Quotation department at (800) 336-0070 for further information on custom capabilities. Please note that orders for custom product are not covered under warranty and may not be cancelled or returned. Orders for custom product should be sent on a separate purchase order when ordered with standard product to ensure timely delivery of standard product. Split shipments to expedite standard products are subject to additional freight charges.

Customer's Own Material (COM)

COM orders for vertical surface materials require contact with ABCO Custom/Quotation department for product pricing and yardage requirements. A sample of the material must be sent to ABCO for approval prior to acceptance of order. Customer's material must ship prepaid to ABCO with the supplier's tag clearly showing the amount of material, product number, dealer's name, customer's purchase order number and ABCO order number. Customer's material is applied at customer's own risk and excluded from the ABCO warranty. Customer is responsible for providing material that meets any state or federal codes or laws. Lead-times for COM orders are 6 to 8 weeks upon receipt of customer's material.

TERMS AND CONDITIONS

Customer Pick-Up

All merchandise for which customer pick-up has been specified and a pick-up appointment has been established, must be picked up within 24 hours of the scheduled date. All merchandise not picked up within 72 hours will be deemed as delivered to the customer for invoicing and payment purposes.

Freight

A small order fee of \$40 net will apply on orders less than \$800 list.

UPSable items will be shipped at standard UPS rates plus any additional handling charges. Flat fees will be reflected on the invoice as "Shipping and Handling." Shipments outside of the continental United States that qualify for prepaid freight are prepaid to port and collect from that point. Pre-determined additional expenses such as the following will be debited to the customer's account and charged on a separate invoice.

- Inside Delivery
- Upstairs Delivery
- Call Before Delivery
- Residential Fees
- Other Special Charges

Freight rates are subject to change without notice and apply to shipments in the U.S. only. Please note any special delivery needs on your purchase order. ABCO will work with your company and the freight carrier to try and accommodate your delivery needs. ABCO will make every effort to work with the freight carriers but cannot be responsible for delivery schedule. ABCO can also accommodate collect shipments and third party billing at no additional charge. UPSable items are denoted by an asterisk (*). ABCO cannot be responsible for damage to items not approved for small package delivery by UPS. Prepaid orders cannot be split shipped or shipped with different dates. Weights and cube values are approximate.

California Shipments

ABCO will charge California sales tax on all invoices to any dealer that requests ABCO ship directly to the State of California, but cannot provide a valid California resale certificate.

Freight Responsibility and Claims

Carrier routing will be determined by ABCO on all prepaid or prepaid and add orders. When the customer selects the carrier, ABCO is not responsible for the services provided by that carrier. Customer selected carrier shipments will be shipped collect or third party based on the customer's instructions. ABCO has made special arrangements with selected freight companies for the handling of freight damage claims. All ABCO shipments are put on the freight line free from damage and are signed for as such by the carrier's agent. ABCO's responsibility for the product's safe delivery ceases at this point and responsibility is assumed by the carrier. As a service, ABCO will file freight claims for F.O.B. origin, prepaid and prepaid and add shipments under the following conditions: Any shipments received with shortages must be noted "short" on the bill of lading and signed by the receiving agent as well as the carrier. Any shipments received with visible carton damage must be inspected immediately to determine if there is product damage. If there is product damage, refuse only the cartons containing damaged products. The applicable products must be noted "damaged and refused" on the bill of lading and signed by the receiving agent as well as the carrier. Notification of any claim activity that results from damage should be reported to ABCO Customer Service immediately. Failure to notify ABCO within 10 calendar days of any damages will constitute a waiver of claim. This applies to both obvious and concealed damage. Replacement orders may be subject to ABCO's inspection of refused products. Freight claims for third party and/or collect shipments are the responsibility of the customer. Contact Customer Service at (800) 336-0070 if shipment is not received within 10 days of shipment.

Returns

Returned merchandise will not be accepted without written approval from ABCO Customer Service on a Return Authorization (RA) form. Once an RA is approved, merchandise must be returned to ABCO prepaid, in the original cartons (with proper inner packing), addressed with return labels and accompanied by a copy of the RA form. ABCO will refuse shipments of returned goods that do not meet these criteria. A minimum 45% restocking fee will be applicable for all approved returns. If the original shipment was shipped prepaid by ABCO, freight charges will also be due for the original shipment.

ABCO WILL NOT ACCEPT RETURNS FOR THE FOLLOWING UNDER ANY CIRCUMSTANCES:

- Custom Items
- Items shipped as acknowledged on an ABCO Order Verification
- Items that have been fully or partially assembled
- Duplicate orders due to duplicate customer purchase orders
- Items invoiced more than 60 days ago
- Items received at ABCO 45 days or more after issuance of RA

Cancellations

Orders entered and verified may not be cancelled or changed without receipt of a written cancellation request and ABCO's consent. A cancellation or change charge of 30% will be applied to orders cancelled or changed while in production (verification date to ship date). **Orders for custom items or products with custom laminate colors may not be cancelled or changed.** Please see "Returns Policy" to cancel an order that has been shipped from the factory.

Postponements

Requests for postponement of shipment beyond the scheduled and verified ship date will be subject to a 25% holding and handling charge. Under no circumstances will orders be held more than 10 days past the scheduled and acknowledged ship date.

Giza

ABCO provides office layout services utilizing Giza software free of charge. Please fax request to the Custom/Quotation department at (800) 992-2261 along with all necessary information including:

- Rough sketch of the layout
- Complete room dimensions
- Type of product to be used
- List of any accessories
- Design specifications
- Other pertinent Information that will assist in completion of the drawing

Design services are provided based on the information provided to the designer. Dimensions and measurements of the space are the responsibility of the customer. ABCO cannot be responsible for unsatisfactory installs due to incorrect information provided by the customer.

Copyright

All material in this publication is protected under copyright.

WARRANTY

WORKSTATIONS/
DESKING

ABCO hereby warrants to the original purchaser that the products manufactured by ABCO shall be free of all substantial defects in original material and workmanship under normal use in standard office/training conditions for a period of ten (10) years. Exceptions include casters (5 years), our standard panel upholstery (3 years) and all COM panel material and all other products* sold through ABCO, but not manufactured by ABCO, are warranted to the original purchaser for a period of one (1) year from the date of purchase.

TABLES

Within the specified periods of this warranty, ABCO agrees, at our option, to repair, replace or refund the cost of the product or any portion of the subject product which proves to be defective in material or workmanship, provided that the buyer gives written notice. ABCO does not warrant the matching of color, grain or texture. This warranty does not apply to: normal wear and tear, damages resulting from shipment, storage, alteration, misuse of the product or failure to provide proper care as well as reasonable and necessary maintenance or damage caused during product installation or reconfiguration. **Additionally, all custom products are expressly excluded from this warranty.** This expressed warranty is exclusive of all other warranties, expressed or implied, including without limitation any implied warranty of merchantability or fitness for a particular purpose. ABCO shall be liable under this warranty only for the cost or, at our option, the replacement or repair of defective products. Authorization must be approved from ABCO in writing prior to incurring any repair charges. All incidental or consequential damages which may arise, including but not limited to, business losses, personal damage and third party liability are hereby expressly excluded.

EDUCATIONAL
TABLES

*Products sold through ABCO but not manufactured by ABCO are:

- Task Lights
- Articulating Keyboards, Vertical and Mobile CPU Holders
- Power/Data Modules
- Modular Electrical System Components
- Power & Data Components

Repair and Replacement

Any labor charges for correcting a manufacturing problem for a product under warranty must be submitted in writing and approved by ABCO Customer Service prior to corrective action. Labor charges will not be paid if the estimate was not submitted and approved prior to labor being completed.
